PALAST
Cromargan® / stainless 18/10,
polished, partly gold plated,
06.3641.6210

Hygienic

The reservoirs are easy to remove, easy to refill and fully dishwasher safe.

Straightforward

Diners will find portioned dispensing of cereals by turning the knob self-explanatory.

Compact

The compact construction saves lots of precious space on any buffet.

Good-looking

This Cereal Dispenser is a new addition to WMF Hotel's CHANGE concept, alongside chafing dishes, coffee urns, milk and juice dispensers.

Another visually pleasing eye-catcher for any buffet.

BASIC

CHANGE Cereal Dispenser, round, turnable

Ø 35,7 cm / 14 in.

height 59,7 cm / 23 1/2 in.
reservoir diameter 11,3 cm / 4 1/2 in.
reservoir capacity 3,5 litres / 118,3 oz.
clear height 9,5 cm / 3 3/4 in.

BASIC
Cromargan® / stainless 18/10,
polished, with round chute
06.3530.6040

Space-saving

The turnable round version is very slim

Material and finish

The high-grade Cromargan® / stainless 18/10 is either satin finished or polished, according to the model. Some models are decorated with gold plate.

The cereal chutes are made from clear PMMA. All other plastic parts are black POM.

Both plastics are totally odourless and food safe.

WMF CHANGE

Variable, with a clear sense of style.

Custom solutions are the WMF CHANGE collection's strong point. The variable style elements enable it to harmonise with any decor. From functional to romantic or classical: any direction is possible.

Everything goes together: Chafing dishes, juice, milk and cereal dispensers and coffee urns.

WMF CHANGE

Traditional quality.

For more than 150 years WMF has been working according to the rules of German craftsmanship, applied using the very latest, environmentally friendly techniques.

Our top priority is always the quality and functionality of the products that are permitted to carry the WMF name.
